aug 23 2024 in short she they is the most common way for a person to indicate that they go by she her or they them pronouns likely with a preference for the former it is not incorrect note

nov 8 2019 the difference is that she s and similar shortened forms are used in colloquial speech but not in certain cases in your example she is being emphasised

sep 6 2024 therefore she played good is incorrect and should instead be she played well however i am a tennis fan and i watch a lot of player interviews and press conferences i have noticed more

so my question is should she has be contracted as she s in the above example like in the examples found from google ngram to avoid confusion google ngram hasn t been exactly consistent about

jun 4 2011 taken from the free online dictionary usage note using she as a generic or gender neutral singular pronoun is more common than might be expected given the continuing debate

0 yes both s he and he she are acceptable abbreviations for usage where space is at a premium and gender of a person is important s he is not a common abbreviation and will confuse more users

sep 12 2020 the at is redundant it is not needed because the questions could be more concisely put as where is she he this redundancy and the efforts of seventeenth and eighteenth century

henriqueordine she had been working for the previous five years with an advertising company means that she started working at that company and worked there for 5 years continuously but then

upon answering the telephone the person calling asks if joan is available if joan is the person who answered the phone should she say this is her or this is she
